# i-develop national professional framework for the CLD sector

The screenshot shows the i-develop website interface. At the top, there is a navigation bar with the following items: Home, Visions & Values, Supporting Others, Developing the Self, E-Learning Centre, and My CPD. A search bar is also present with the text 'SEARCH THIS SITE'. The main heading reads: 'i-develop provides a space online where practitioners and employers can undertake online blended learning, share and develop new practice, access information and develop professional learning portfolios.'

**An e-learning centre** that holds resources relevant to your professional development under each of the CLD competences, levelled to meet your needs.

**Discrete space** developed by your organisation where you can focus on your professional learning targeted to your developmental needs.

**Nine strands** providing context, practice and resources for practitioners including leadership, quality improvement, communities of practice.

**Thematic uploads** of resource developed by the field for use by practitioners across all sectors and all stages of development.

**“My CPD”** is your space where you can build your personal e-portfolio, your e-library, your own my group space.
