

CLD Response to COVID-19: survey results from wave 3

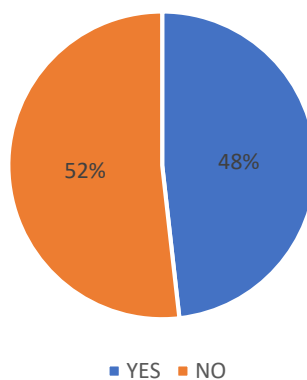

Wave 2 of the survey ran from 19 May to 17 June 2020.

There were 112 respondents in that period.

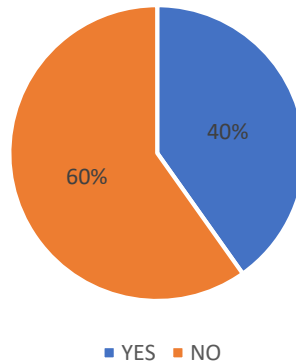

Q1. Are you/your team/your organisation involved in support for young people and/or children in response to current issues arising from COVID 19?

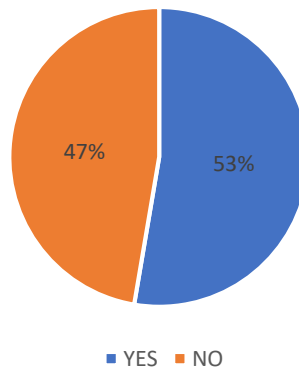

Q2. Are you/your team/your organisation involved in support for vulnerable adults and older people in response to current issues arising from COVID-19?

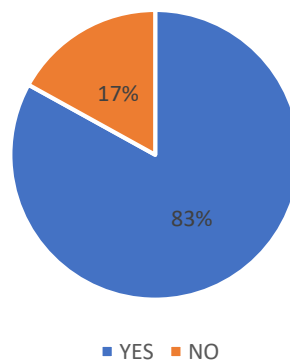

Q3. Are you/your team/your organisation involved in support to community organisations who are responding to current issues arising from COVID-19?

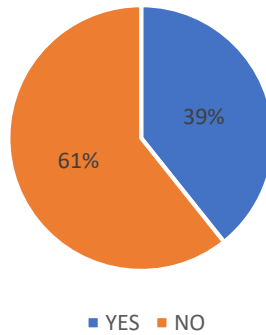

Q4. Are you involved, or do you expect to be involved, in the work of the local authority learning hubs that have been established following the closure of schools?

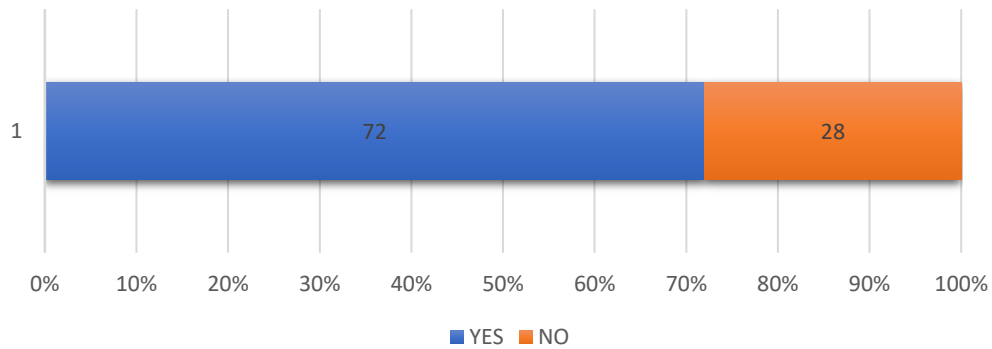

Q5. Do you have access to information that you need to enable you to work safely and in ways that meet the needs of communities in the current situation?

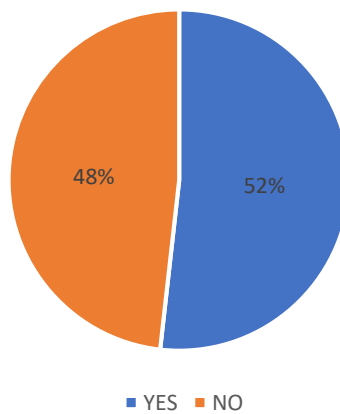

Q6. Do you have any issues over access to technology needed to work effectively in current circumstances?

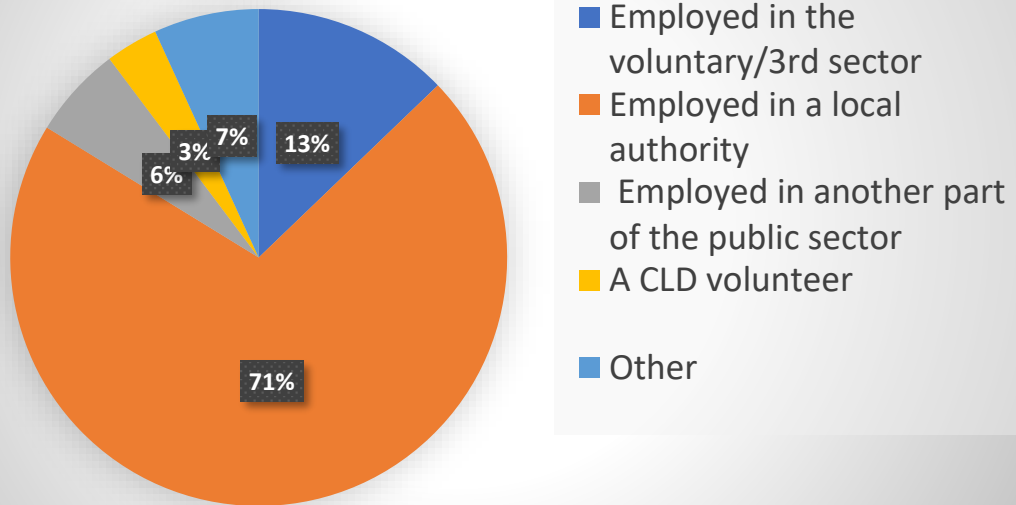

Q7. Do you have positive examples of the use of technology to adapt your practice in the current situation?

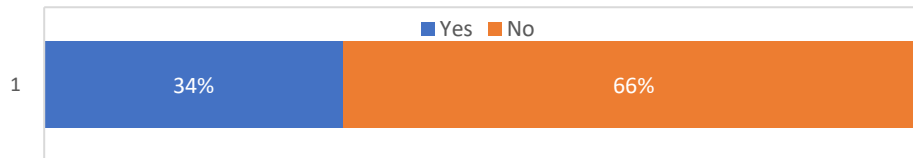

Q8. Do you have any concerns about your well-being at work in the current situation?
